# Is Your Shop Ready To Say GOODBYE TO COMPOUNDING?

New products and processes are helping body shops eliminate messy and time consuming work.

[3MCollision.com/Perfect-It-One](http://3MCollision.com/Perfect-It-One)

# Introducing the Perfect-It™ 1 Paint Finishing System

Leave the messy wool pad and heavy polisher on the shelf and get paint ready to polish with Trizact™ 5000 grade abrasives.

Then, use the Perfect-It 1 pad and finishing material to give you that show car shine.

**NO MORE  
COMPOUNDING**
